Kettle Point & Area

We acknowledge that we are on the traditional lands of the Ojibwa Chippewa of the Anishnaabe group of Indigenous peoples. Counties along the Lake Huron shoreline are on territory that is covered by Crown Treaty Number 29, known as the Huron Tract Purchase of 1827. As a community, we have the responsibility for the stewardship of the land on which we live and work. We recognize and deeply appreciate the Indigenous historic connection to this place and the agreement with the Crown of Canada to peaceably share and care for the resources around the Great Lakes.
